

# HEALING STRIPES

Dear Beloved in Christ

Greetings to you in the sweet name of our Lord and Savior Jesus Christ.

It gives us immense joy to announce that we were able to locate the right place for our ministries & Church. This is to keep you posted that with the divine assistance, God enabled us to sell our small family property and to purchase a piece of land at Bangalore outer East with the area of 3000 square feet. The total land value in Indian Rupees is 60,00,000 and in USD 109,269.60.

# HEALING STRIPES

Church building project is not about the construction of a new facility but it is all about building relationships with God. We believe that Church building Project will be a tool to build the kingdom of God and not just a human want or desire. We understand that it involves many emotions and challenges ready to physically and spiritually build. We have prayerfully decided to approach business men who would be willing to supply raw materials to start with the foundation work.

We strongly believe that the one who has started a good work in us is faithful enough to complete it. Though the situation seems quite challenging, God is in full control.

**Dear Beloved Brother and Sister in Christ, the Church of God is not run on profits and so these sponsorships are really crucial for the existence of a church. We need your helping hands at this point of time and we appreciate support from external organizations and individuals that uphold this religious cause.**

**Healing Stripes Trust has been permitted to receive foreign contributions under the Foreign Contribution Regulation Act of 1976, registered by Federal Government of India (F.C.R.A. No.094420919 ) dated 29/08/2001 .**

Dear Beloved Brother & Sister in Christ,  
I am writing on behalf of Healing Stripes Ministries situated in  
Bangalore, India

It has a thriving business centre, with some of the top financial companies in the country being based locally. We have a thriving youth group for local young people. We have 100 members and offer services in both the morning and evening. The church building is used by a number of different local groups. We also host activities such as poor feeding for the local community. We have been holding church services in various rental buildings for years together. However, we are now in need of a substantial church building.

The estimated cost of this work is \$3,12,500.00. We have already raised the sum of \$1,56,250.00 through our fund raising efforts but need a further \$1,56,250.00 to be able to carry out the necessary work. As a Trust that is interested in supporting and preserving buildings which are of value to the local community, we would be most grateful if you could consider assisting us with this project.

“Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood.”- Acts 20:28

Your sacrificial prayers & financial support are of great significance at this point of time to complete this project for the glory of God. Whatever the Lord puts in your heart, please feel free to communicate with us. We kindly request you to prayerfully communicate this message to your near & dear ones. As a token of our love and appreciation you are most welcome to visit us here in Bangalore to witness the ongoing project.
